

RURAL MUNICIPALITY OF MORRIS

Notes on a meeting held between Shawn Eidse, Lionel Wiens and Ernest Buhler on Friday, January 20th, 2006 commencing at 1:30 p.m.

The CAO was asked to contact The Exchange Group about setting up a website. The Exchange Group has reserved a domain name for the R.M. of Morris and the intent would be to see how a website would fit into that.

The proposed new website would have a total of 5 pages, including "History", "About Us", "Events", "What's New", and a page on communities. The communities would include a small amount of information on the Town of Morris, with a link to their website. The communities would also include separate pages for Roscnort, Lowe Farm, Sperling and Aubigny.

There being no further business the meeting was adjourned at 2:00 p.m.
