

PUBLIC NOTICE

Public Notice is hereby given that the Rural Municipality of Morris will be accepting written tenders for the rental of two parcels of farmland. The two parcels are as follows:

Parcel 1:

Approximately 110 acres of farmland on NE 9-6-1E. This land is adjacent to a municipal landfill and municipal lagoon and therefore the amount of acres available for farming may change over the duration of the tender lease period, however, the rent will only be on the amount of land available for cultivation.

Parcel 2:

Approximately 70 acres of farmland on NW 5-6-1E. This land is south of the old ring dyke around Rosenort. It is slated for future residential development, however, is currently being cultivated and farmed. If any residential development takes place during the tender lease period, rent will only be on the amount of land available for cultivation.

The lease period will be for 3 years and will start for the 2020 cultivation year and will end at the end of 2022 cultivation year. Land must be properly worked in the fall of each year.

Tenders will close at **4:30 P.M. on April 1st, 2019**. People wishing to submit a tender should state which parcel they are tendering on and also the dollars per acre (\$/acre).

Council does reserve the right to reject any tender.

All tenders should be submitted in writing, either at the address shown below or via email listed and should be clearly marked 'Rural Municipality of Morris' Land Tender.
