

The Rural Municipality of Morris

BY-LAW NO. 1579/04

BEING A BY-LAW of the Rural Municipality of Morris to regulate and control the discharge of storm sewer water.

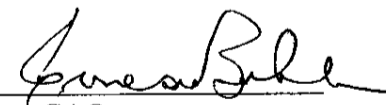

WHEREAS the Council of the Rural Municipality of Morris believes it to be in the best interests of the municipality to regulate the discharge of storm sewer water.

NOW THEREFORE the Council of the Rural Municipality of Morris, in open session duly assembled, enacts as follows THAT:

1. Backwater Valve: all new buildings connected to the sanitary sewer system shall be required to install a backwater check valve for washrooms, floor drains and other utilities when or where the floor level is lower than the street level. The said valve is to be located on the house side of the cleanout where the sewer line enters near the basement wall footing.
2. Sump Pits: all new buildings connected to the sanitary sewer shall be required to install a sump pit, complete with sump pump equipped for surface drainage. Sump pits shall be of a CSA approved material and type with a sealed cover to support the occupancy floor load. Covers for sump pits shall be designed to resist removal by children. Weeping tiles are to be connected to the sump pit. Floor drains connected to a sanitary sewer shall have a solid pipe extending from the floor drain trap to the finished floor level with no interconnection between the floor drain and the sump pit.
3. Sump Discharge System: the sump discharge pipe system shall be a minimum diameter of 1 1/8" and be constructed in conformance with the code and good design practice. Piping must have a check valve installed near the pump to facilitate pump removal and maintenance. The sump discharge water must be disposed onto the lot surface to use natural lot grades, away from the building and neighbors without causing a nuisance to adjoining properties. Sump water cannot be discharged onto public property. Piping shall be located so as not be present a hazard and must be contained to the subject property.

DONE AND PASSED IN OPEN COUNCIL ASSEMBLED THIS 11th DAY OF August A.D. 2004.
