

Fire Chief / Building Inspector

The Rural Municipality of Morris is a dynamic municipality situated in the heart of the Red River Valley. A balance of urban, rural and agricultural communities exist within the municipality. The Rural Municipality of Morris is located south of Winnipeg and covers approximately 1,040 square kilometers of mostly prime agricultural land. There are a number of local companies that employ a wide range of personnel.

The Opportunity:

In an effort to provide enhanced services to the municipality's residents, this new position has been created that will combine the skills of managing a fire service and also providing the building inspection services as required by the municipality.

The municipality has a fire service consisting of three hall locations, along with appropriate personnel and equipment.

As for building inspection services, for the past number of years the municipality has usually had between 10 to 15 new housing starts a year, plus various other building permits.

For someone looking for a position with interest and variety, this position will surely provide that.

The Ideal Candidate:

We are seeking an energetic individual that will be able to provide leadership and stability to this newly created position. The ideal candidate's history should include all or most of the following:

- Minimum 10 years firefighting experience
- 5 Years of Management Experience (preferably in a full time fire service capacity)
- Leadership training and personality
- Building construction experience (ideally as a carpenter)
- Communication skills
- Ability to prepare reports
- Familiar with computers/software from a user perspective
- Minimum Class 4 Drivers Licence
- Ability to work 'non-traditional' hours
- Must be in Good Physical Condition

The above are 'ideals' that we are striving for, however the person hired for the position may not meet all of these ideals.

It should also be noted that it will be necessary for the selected candidate to provide a criminal record check and a vulnerable person's check.
